

Trans-Siberian Orchestra, I'll Keep Your Secrets

(theresa)

Lost in your dark

I see you there

What do you see beyond your stare

And you believe that no one else can know

What is this thing you keep inside

Out of the light and wrapped in pride

Always afraid that one day it will show

I'll keep your secrets

I'll hold your ground

And when the darkness starts to fall

I'll be around there waiting

When dreams are fading

And friends are distant and few

Know at that moment I'll be there with you

What are these voices that you hear

Are they too far or far too near

What are these things that echo from the past

Who are these ghosts you see at night

There in the shadows of your life

They only live by the light you cast

I'll keep your secrets

I'll hold your ground

And when the darkness starts to fall

I'll be around there waiting

When dreams are fading

And friends are distant and few

Know at that moment I'll be there with you

I'll be around

When there's no reason left to carry on

And every dream you've ever had is gone

And the dark is deep and black without a sound

And every star has been dragged to the ground

Know at that moment I will be around

Know at that moment I will be around
