

Trash Can Sinatras, Couldn't Get High

"i've got
the new sunglasses
and i've got
the back stage passes
for y'all
girls with fine asses
yeah oh yeah
sunshine , girls and money
what it takes to get me on a roll
some call me mr. soul

went to the party
the other night
i wanna feel
what my brain had felt like
i pulled the bottle
and i start drinkin' wine
i thought that pretty soon
i would be
feelin' fine
but no i couldn't get high
oh no
i said i
couldn't get high
oh no
i said i
don't know why
yeah
threw down the bottle
whipped out the pipe
stuffed it full of goodness
and then i gave that shit a light
i huffed and i puffed
i smoked and i choked
i smoked for so long
until my heart was nearly broke
because i couldn't get high
oh no
i said i
couldn't get high
oh no
i said i
try and try

threw down the pipe
pissed as i could be
gobbled down a mound of some
lsd
and then i waited and i waited
for my body to zing
i waited i waited
but not a fucking thing
because i couldn't get high
whoa no
i said i
couldn't get high
oh no
i said i
don't know why
