Trauma, Imperfect Like A God

Conquer in the name of god Human psycho in the mask of god Extermination - our law So we conquer, so we kill - our law Unperfect Unperfect like a god Unperfect Unperfect like a god Nobody in this world Knows everything about the dream Revelation - our war The perfect resolution - our law The shame and misery Flowing through the mouth of god Condemnation - our destiny Proud and free with this gift The worst nightmare Rising of the hidden beasts Recreation - our aim We know down social law

In the deepest dream All the reasonable travelers believe in

Reconstruction - our hope

So we fall and rise again - our hope
