## Travis, Driftwood

Everything is open
Nothing is set in stone
Rivers turn to ocean
Oceans tide you home
Home is where the heart is
But your heart had to roam
Drifting over bridges
Never to return
Watching bridges burn

You're driftwood floating underwater Breaking into pieces, pieces, pieces Just driftwood hollow and of no use Waterfalls will find you, bind you, grind you

Nobody is an island Everyone has to go Pillars turn to butter Butterflying low Low is where your heart is But your heart has to grow Drifting under bridges Never with the flow

And you really didn't think it would happen But it really is the end of the line So I'm sorry that you turned to driftwood But you've been drifting for a long, long time

Everywhere there's trouble Nowhere's safe to go Pushes turn to shovels Shovelling the snow Frozen you have chosen The path you wish to go Drifting now forever And forever more Until you reach your shore

You're driftwood floating underwater Breaking into pieces, pieces, pieces Just driftwood hollow and of no use Waterfalls will find you, bind you, grind you

And you really didn't think it would happen But it really is the end of the line So I'm sorry that you turned to driftwood But you've been drifting for a long, long time You've been drifting for a long, long Drifting for a long, long
