

# Travis, Follow The Light

Nobody really knows  
Where they're supposed to go  
Hiding behind a wall  
Afraid that they'll lose it all

But it's alright  
Just follow the light  
And don't be afraid of the dark  
In the moonlight you'll dance till you fall  
And always be here in my heart

But nobody wants to know  
'Cause nobody even cares  
Everyone's on the make  
Oh and everyone's out for themselves  
Me I'm on the longest road  
Where everything's overload  
But I've got my heart and soul  
So don't throw me overboard

'Cause it's alright  
Just follow the light  
And don't be afraid of the dark  
In the moonlight  
You'll dance till you fall  
And always be here in my heart

'Cause it's alright  
Just follow the light  
And don't be afraid of the dark  
In the moonlight  
You'll dance till you fall  
And always be here in my heart

'Cause it's alright  
Alright now  
And you're alright  
Yeah we're alright now
