

Travis, Follow The Light

Nobody really knows
Where they're supposed to go
Hiding behind a wall
Afraid that they'll lose it all

But it's alright
Just follow the light
And don't be afraid of the dark
In the moonlight you'll dance till you fall
And always be here in my heart

But nobody wants to know
'Cause nobody even cares
Everyone's on the make
Oh and everyone's out for themselves
Me I'm on the longest road
Where everything's overload
But I've got my heart and soul
So don't throw me overboard

'Cause it's alright
Just follow the light
And don't be afraid of the dark
In the moonlight
You'll dance till you fall
And always be here in my heart

'Cause it's alright
Just follow the light
And don't be afraid of the dark
In the moonlight
You'll dance till you fall
And always be here in my heart

'Cause it's alright
Alright now
And you're alright
Yeah we're alright now
