

Travis, Indefinitely

Everyday in every way I'm falling
Everything that everyone says turns me on
Shine a light on me
So that everyone can see
That I wanna stay here indefinitely

Time exists but just on your wrist so don't panic
Moments last and lifetimes are lost in a day
So wind your watches down please
'Cause there is no time to lose
And I'm gonna stay here indefinitely
And I wanna stay here so just let me be

Now I can see the light circling round your reflection

And I'm gonna stay here indefinitely
and I'm gonna stay here so just let me be
Indefinitely
Indefinitely
Indefinitely
Indefinitely
Indefinitely
Indefinitely
