

Travis Scott, DELRESTO (ECHOES)

I believe, I believe in love
Ah-ah-ah-ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah-ah-ah-ah

Statues in the next room
Billions in escrow (Ah-ah-ah-ah-ah-ah-ah-ah-ah-ah)
Bulletproof the whole thing
Ignore the dress code
Step into the ballroom
So hard to let go (Ah-ah-ah-ah-ah-ah-ah-ah-ah-ah)
Things that never give life
I can see the echoes

Ridin' through the thunder
Tryna see the summer (It's the echoes that I wait for)
Recognize the restroom (It's the echoes that I'm made for)
Recognize the let go (Made for)
Breakin' through the echoes
Breathin' through the echoes

It's only echoes (Walk) I escape for (Walk)
Only echoes (Walk) on the return (Walk)
Walkin' on (Walk) the numbers (Walk)
Stay the night

It's the let go (Walk)
The let go (Walk)
The let go (Walk)
The let go (Walk)
That I wait for (Walk)
I wait for (Walk)
I wait for (Walk)
I wait for (Walk)
You

Watchin', watchin', watchin' you get the medical
Isn't that your ways to skip the hospitable?
Infected with your vaccine, this ain't critical
Only live with the green light (Down, down, down, down)

The starry nights are startin' to fade (C'mon)
At times for miles I see your face, mm-mm
I drive, I drive alone you wait
You're tired, you're tired, tired, baby
You take

Drivin' reckless through the storm and
'Cause you a breakfast in the morning
My nights is abnormal advice ain't informal
I didn't get the warning before they went and swarmed you
The height we made is paranormal
We shake and wake up the paranoia
When mad, it destroy you, when let it all in you
I'm tryin' to enjoy you, a frown is opposed

We can't seem to break (Ah) the pathological
They see it in the hair, you gotta feel so (Breakin' through the echoe)
You wanna reign supreme and never let you go
We filmin' live from the kingdom-dom-dom-dom-dom (Ah)
Only echoes that I wait for (Ah)
Only echoes on the return

Walkin' on the mountains (Walk), I climb (Walk)
It's the echoes (Walk) that I wait for (Walk)
It's the echoes (Walk), on the return (Walk)
Stay the night

It's the let go (Walk)
The let go (Walk)
The let go (Walk)
The let go (Walk)
That I wait for (Walk)
I wait for (Walk)
I wait for (Walk)
I wait for (Walk)
For you

Ah-ah-ah-ah-ah-ah-ah-ah-ah-ah
Hey, now, you will report to me
Hey, now, you will report to me
Hey, now, hey, now
Hey, now, you will report to me
Hey, now, you will report to me
Hey, now, hey, now, you will report to me
