

Travis Scott, SICKO MODE

Sun down, freezing cold
that's how we already know, winter's here
my dawg would probably do it for a louis belt
that's just all we know,
he don't know nothing else
I tried to show them /2x
gone on you with the pick and roll
young La Flame, he in sicko mode

woo, made this here with all the ice on in the booth
at the gate outside, when they pull up, they get me loose
jump out boys, that's Nike boys
hoping out coupes
this shit way too big when we pull up give me the loot
was off the Remy had to Papoose
had to hit my old town to duck the news
now it's 4 AM and I'm back up popping with the crew
I just landed in, Chase B mix this pop like Jamba Juice
Different colored chain, think my jeweler rally selling fruits
and the chocking
man, know the crackers wish it was a noose

some /3x
said to win the retreat, we all in too deep
playing for keeps
don't play us for weak
to win the retreat, we all in too deep
playing for keeps
don't play us for weak

this shit way too formal
y'all know I don't follow suit
stacy Dash, most of these girls ain't got a clue
all of these hoes I made off records I produced
I might
take all my exes and put them all in a group
hit my eses I need the booch
about to turn this function to Bonnaroo
told her hop in you comin' too
in the 305 bitches treat me like I;m Uncle Luke
had to slop the top off
it's just a roof
sge said: where we going?
I said: the moon
we ain't even make it to the room
she thought it was the ocean
it's just the pool
now I git her open, it's just the Goose
who put this shit together
I'm the glue
shorty Face Timed me out the blue

some /3x
said to win the retreat, we all in too deep
playing for keeps
don't play us for weak
to win the retreat, we all in too deep
playing for keeps
don't play us for weak

shes's in love with who I am
back in high school
I used to bus it to the dance
now I hit the FBO with duffers in my hands

I did half a Xan, 13 hours till I Land
had me out like a light
like a light
