

# Travis, The Last Laugh Of The Laughter

When the laughter fades away  
Ma vie  
Tout ma vie  
When there's nothing more to say  
Ma vie  
My oh my

It's the last laugh of the laughter  
Sur la dernier page du chapitre  
On the last day of the year  
Ma vie  
Tout ma vie

When the spotlight drifts away  
Ma vie  
C'est la vie  
When the blue sky turns to grey  
Ma vie  
My oh my

It's the last laugh of the laughter  
Sur la dernier page du chapitre  
On the last day of the year  
Ma vie  
Tout ma vie

When the laughter fades away  
Ma vie  
Tout ma vie  
When there's nothing more to say  
Ma vie  
My oh my

It's the last laugh of the laughter  
Sur la dernier page du chapitre  
On the last day of the year  
Ma vie  
Tout ma vie  
Ma vie  
My oh my
