

Travis Tritt, Amie

Fallin' in and out of love with you
Fallin' in and out of love with you
Don't know what I'm gonna do,
I keep fallin' in and out of love with you
I can see why you think you belong to me
I never tried to make you think or let you see one thing for yourself
But now you're off with someone else and I'm alone
You see I thought that I might keep you for my own
Amie, what you wanna do?
I think I could stay with you
For a while, maybe longer if I do
Don't you think the time is right for us to find
All the things we thought weren't roper could be right in time
And can't you see whichever way we should turn
Together, or alone,
I can't ever see what's right or what is wrong
(It'll take too long you see)
Repeat Chorus
Now it's come to what you want, you've had it your way
And all the things you thought before
Just faded into gray and can't you see
That I don't know if it's you or if it's me
If it's one of us I'm sure we both will see
(Baby, won't you look at me and tell me)
Amie, what you wanna do?
I think I could stay with you
For a while, maybe longer (if I do)
Longer if I do, yeah, now
Amie, what you wanna do?
I think I could stay with you
For a while, maybe longer if I do....'cause I keep
Fallin' in and out of love with you
Fallin' in and out of love with you
Don't know what I'm gonna do, 'cause I keep
Fallin' in and out of love with you
