

Travis Tritt, Help Me Hold On

Baby close that suitcase you've been packin'
Just sit down and talk to me awhile
I know you tried to tell me what was lackin'
But I guess I must have missed it by a mile
Well this time girl I swear to you I'll listen
Help me understand where I went wrong
It's hard to find myself in this position
Scared that I'll go crazy once your gone
Chorus:

Help me hold on...to what we had
Once our love was strong, it can be again
You said it takes two, to make love last
You were right all along so help me hold on
What have I got to do to make it better?
What have I got to do to make you see
That even though I promised you forever
I never knew how hard that would be
I realize I took your love for granted
But I've learned that love worth havin' don't come free
And I'll pay any price it takes to keep you
Satisfied and stayin here with me...

Chorus (2x)

You were right all along
So help me hold on
