

Travis Tritt, Here's Your Sign

Bill Engvall:

I Just hate stupid people

They should just have to wear a sign that says "I'm Stupid";

That way you wouldn't rely on them, would yah?

You wouldn't ask them anything, "Excuse me? Oh! Never mind, I didn't see your sign.

It's Like before my wife and I moved from Texas to California, our house was full of boxes, there's a U-Haul truck in our drive-way

My friend comes over and asks,

"Hey, you movin?";

"Nope. We just pack our stuff up once or twice a week, just to see how many boxes it takes";

Here's your sign

Travis Tritt:(chorus)

Why can't they get the picture

Why don't they understand

We're not dealing with the planet of x

We're talkin' 'bout the modern man

So you people with them itsy, bitsy, tinsy, wentsy, tiny minds

Here's Your Sign

Last summer I was on my way home, I was driving around, I had a flat tire, I pulled my truck into those side-of-the-road gas stations, the attendant walks out, looks at my truck, looks at me, and I swear to god he went,

"Tire go flat?";

I couldn't resist.

I said "Nope, no- I was driving around and all of a sudden the other 3 just swelled right up on me"

We were trying to sell our car about a year ago, guy comes over to the house, drove the car round for about 45 minutes. We get back to the house, he gets out of the car, reaches down and grabs the exhaust pipe. He goes,

"Damn that's hot!"

See if he'd been wearing a sign, I could have stopped him.
