

# Travis Tritt, I Don't Ever Want Her To Feel That

Said some things, didn't mean,  
In my anger.  
Went to far, she walked out,  
I don't blame her.  
And I felt so ashamed.  
'Cause I'd hurt my best friend.  
Couldn't take back the pain.  
And I don't ever want her to feel that way again.  
I wish I, could go back,  
And erase it.  
Can't make words disappear,  
Have to face it.  
That she don't look at me,  
Like she did before then.  
And what I made her feel.  
I don't ever want her to feel that way again.  
When she looks at me there's nothing that I want to see but love,  
in her eyes.  
Never want to see that "How could you do this to me" pain,  
She can't hide.  
There's no doubt, she knows how,  
Much I love her.  
I believe, she still needs,  
The way we were.  
I just hope, that she knows,  
That I didn't intend.  
To leave her feeling cold.  
And I don't ever want her to feel that way again.  
No, I don't ever want her to feel that way again.  
Said some things, didn't mean,  
In my anger.
