

Travis Tritt, I Wish I Was Wrong

I never saw it coming
Learned the hard way love is blind
but you can't deny the bitter truth
when its right before your eyes
But I wish, I was wrong
Your love for me is gone
I know beyond a doubt
Theres no use in hanging on
but I wish I was wrong
The world trembled there beneath me
It was more then i could stand
That you'd take comfort in the arms of another man
I searched my heart for answers
I looked deep down in my soul
from denial to revelation
that i'd have to let you go

But I wish, I was wrong
Your love for me is gone
I know beyond a doubt
Theres no use in hanging on
but I wish I was wrong
yes I wish I was wrong
