

Travis Tritt, It's A Great Day To Be Alive

I got rice cooking in the microwave
Got a three day beard I don't plan to shave
And it's a goofy thing but I just gotta say
Hey, I'm doing alright
Yeah I think I'll make me some homemade soup
Feelin' pretty good and that's the truth
It's neither drink nor drug induced
No, I'm just doin' alright
And it's a great day to be alive
I know the sun's still shinin' when I close my eyes
There's some hard times in the neighborhood
But why can't every day be just this good?
It's been fifteen years since I left home
Said good luck to every seed I'd sown
Give it my best and then I left it alone
Oh I hope they're doin' alright
Now I look in the mirror and what do I see?
A lone wolf there starin' back at me
Long in the tooth but harmless as can be
Lord, I guess he's doin' alright
And it's a great day to be alive
I know the sun's still shinin' when I close my eyes
There's some hard times in the neighborhood
But why can't every day be just this good?
Sometimes its lonely
Sometimes its only me and
The shadows that fill this room
Sometimes I'm fallin', desperately callin'
Howlin' at the moon
Well I might go get me a new tatoo or
Take my old Harley for a three day cruise
Might even grow me a fu man chu
And it's a great day to be alive
I know the sun's still shinin' when I close my eyes
There's some hard times in the neighborhood
But why can't every day be just this good?
And it's a great day to be alive
I know the sun's still shinin' when I close my eyes
There's some hard times in the neighborhood
But why can't every day be just this good?
