

Travis Tritt, You Never Take Me Dancing

World's greatest mystery love between a woman and a man
Some guys are Romeos others simply do the best they can
I'm just your average ordinary Joe
Trying to learn the things I never knew I had to know
What's a man supposed to do I can't get no kick from 9 to 5 No no
And I'm not a man who thinks its true it's a womans place to keep our love alive
I watched an empty time TV to know my baby's needs
Sometimes I swear shes impossible to please

(Chorus)

She says you give me all that I want of your money babe but you never take me dancing
Never take me dancing
You give me sweet little talk call me honey babe but you never take me dancing
Never take me dancing

Think I do a lot to show how I feel about her in my ways
Roses on our anniversary, candle light and me on her birthday
Just when I thought that I had it all worked out
She says I still don't know just what it's all about

(Chorus)

She says you give me all that I want of your money babe but you never take me dancing
Never take me dancing
You give me sweet little talk call me honey babe but you never take me dancing
Never take me dancing

I'm just your average ordinary Joe
Trying to learn the things I never knew I had to know

Yeeeeeeeeee yee
Yeeeeeeeeee yee yeeeeeee yeee
Yeeeeeeeeee yee yeee

You give me all that I want of your money babe but you never take me dancing
Never take me dancing
You give me sweet little talk call me honey babe but you never take me dancing
Never take me dancing
You give me sweet little talk call me honey babe but you never take me dancing
Never take me dancing

Give me sweet little talk call me honey babe (till fade)
