

Travis, Turn

I want to see what people saw
I want to feel like I felt before
I'd like to see the kingdom come
I want to feel forever young

I want to sing
To sing my song
I want to live in a world where I belong
I want to live
I will survive
And I believe that it won't be very long

If we turn, turn, turn, turn, turn
Turn, turn, turn
If we turn, turn, turn, turn, turn
Then we might learn

So where's the stars?
Up in the sky
And what's the moon?
A big balloon
We'll never know unless we grow
There's so much world outside the door

I want to sing
To sing my song
I want to live in a world where I'll be strong
I want to live
I will survive
And I believe that it won't be very long

If we turn, turn, turn, turn, turn
Turn, turn, turn
If we turn, turn, turn, turn, turn
Then we might learn, learn

We've got to turn
We've got to turn

If we turn, turn, turn, turn, turn
Turn, turn, turn
If we turn, turn, turn, turn, turn
Then we might learn
Learn to turn
