

# Travis, Used to belong

A long time ago  
Light years away  
I had to go  
You had to stay  
But look at you now  
What does ?  
Sometimes you lose  
Sometimes you win  
Go to sleep  
Go to sleep and tell me that you'll dream of me  
Wake up in a river lying next to me  
Waiting at the end of the line  
'cause you  
Used to belong  
Used to be me and you  
Now I don't know anymore  
And I  
Used to believe  
Used to believe in you  
Now I don't know anymore  
Take away the pain  
Take away the good  
Hold me like a child again  
Seems like you should  
Go to sleep  
Go to sleep and tell me that you'll dream of me  
Wake up in a river lying next to me  
Waiting at the end of the line  
'cause you  
Used to belong  
Used to be me and you  
Now I don't know anymore  
And I  
Used to believe  
Used to believe in you  
Now I don't know anymore  
Anymore
