

Treaty Of Paris, Cool To Be Uncool

In the meantime
Is it necessary
To walk a straight line
Into the temporary
Or can we bring this
Trend to an end

In a simple mind
It's satisfactory
To try and standardize
Every industry
Or can we bring this
Trend to an end

When the unpopular
Becomes popular
There's nothing
When it's cool
To be uncool

On one side
it's revolutionary
To live a short life
And become legendary
Or can we bring this
Trend to an end

On the other hand
Is it ordinary
To find a name in
The obituary
Or can we bring this
Trend to the end

When the unpopular
Becomes popular
There's nothing
You can do
'Cause majority
Always rules
When the unpopular
Becomes popular
There's nothing
You can do
When it's cool
To be uncool

We are one nation
Looking for an explanation
We are one nation
Under God
We are one nation
This is our reputation
We are one nation
One nation
One nation

When the unpopular
Becomes popular
There's nothing
You can do
'Cause majority
Always rules
When the unpopular

Becomes popular
There's nothing
You can do
When it's cool
To be un
Cool to be un
Cool to be uncool
