

Tree63, World Undone

I cant deny you - although I have tried
You will have your glory and you will not be denied
For when you reveal yourself, who can contain your praise?
Ill sing like a river in full flood

CHORUS

Your Kingdom come to a world undone
Your Kingdom come, Lord let your will be done
Now that Ive met you how can I keep still?
For if I dont speak your name, creation will
You took the old from me and gave me a new song
A hymn of praise to you my God

CHORUS

Rivers, mountains, sea, and sky lift up your voice to God Most High
And you will hear this world
And all who live in it
Shouting with one voice - all will rejoice

CHORUS
