Tree63, World Undone

I cant deny you - although I have tried You will have your glory and you will not be denied For when you reveal yourself, who can contain your praise? Ill sing like a river in full flood **CHOŘUS** Your Kingdom come to a world undone Your Kingdom come, Lord let your will be done Now that Ive met you how can I keep still? For if I dont speak your name, creation will You took the old from me and gave me a new song A hymn of praise to you my God **CHÓRUS** Rivers, mountains, sea, and sky lift up your voice to God Most High And you will hear this world And all who live in it Shouting with one voice - all will rejoice

CHORUS
