

Trent Monk, Say Goodbye

Empty bottles all over the ground
You're lying on the floor as the room spins around
You swear this time is gonna be your last
You say you've been on your feet a time or two
You just can't forget the things you used to do
Well I'm telling you it's time to leave your past

(Chorus)

Let your old ways die
And let your burdens fly
'Cause Jesus has a plan for your life
And now it's time to say goodbye
It's time to say goodbye
It's time to say goodbye to yesterday

Tears fill your eyes 'cause you're walking the line
You feel like you've failed for the hundredth time
You feel helpless and you don't know what to do
You keep going back through the same old grind
You keep telling yourself just one more time
I'm telling you that it all falls through

(Chorus)

(Come on baby, what's happening?)

(Chorus)
