

# Trent Monk, With Me

Some days my dreams fly over my head  
It seems I'm going nowhere fast  
Promises buried in the sand  
But You said that this all would pass (yeah yeah)

(Chorus)

Cause I can do anything I want to  
As long as You (As long as You)  
Are here with me  
I can move mountains by the thousands  
I can walk on water (Walk on water)  
As long as you're with me

I chalk one up  
Because I'm gaining ground  
I'm off on my own again  
But I hit the wall at the speed of sound  
Someday I'll learn to see Your plan (yeah yeah)

(Chorus)

With me

(Chorus)
