I love these streets, what you think of that?  
My whole team rock rocks, we don't speak to cats  
I'ma ball till I fall what you think of that?

Uste' que quiere aca?  
Uste' que quiere aca?  
Si yo ando con la gente que controla aca.  
Uste' que piensa alla?  
Uste' que piensa alla?  
Eso va pa'la calle, y pa'los que estan.

My whole team rock rocks, we don't speak to cats  
I'ma ball till I fall what you think of that?  
What you think of that? What you think of that?  
I'm a real ass nigga, what you think of that?

(Memphis Bleek)  
Yo, light the treez up, my hoez, D cupped, G's up  
Memph Bleek, nigga, what?!?  
Ride shotgun in the range,  
bitches pay the price for thangz, rock ice and chains  
Yo they change under the weather, it got a little cold, too iced out  
You can hardly see the gold,  
that's the way a nigga rock now, don't stop now  
Still on the block now, shorty, hold the glock down  
Only thingz changed, the bitches I pressed,  
the way they fit in the dress  
Like'em big in the breasts,  
shoes gotta be the shit, don't walk in kicks  
Yo you rollin wit the Memph, twitch the dutch and split  
Break the fuck out, bang, back a truck out,  
often see the rims these bitches'll bug out  
You know what though?  
I don't give a fuck though, Still in the cut, let the .44 blow

Yo, yo, yo

Uste que piensa alla?  
Un Latino que esta aca.  
Haciendo plata en Nueva York y Bogota~  
Y Quien Sabra? Que traigo kilos de esto por'semana  
Tengo fama y ganas pa'gastar mi lana  
Encopo, pana, con una manera y dos cubanas  
Con propaganda  
Ya sabras cual quien manda  
Dominicana, Boriqua, Colombiana  
Afro-Americanos, Latinos en la misma panda  
En el aviente,  
pa'mi gente,  
que estan presente  
Como un demente,  
Rocca presidente  
Busco plata, paso mi vida luchando  
Y fue cantando, que hoy dia estoy coronando  
New York, New York, Big city of dream  
Me siento en la ciudad, como narcos de Medellin  
Flow con Swing, con la vision de la Rocca Fuera  
Mi vida loca,  
Rocca, The Goodfella.

(Jay-Z)  
Know niggas ain't frontin like i'm a clown or sumthin  
Like I don't get down or sumthin  
Like I don't tote a 4 pound of sumthin  
Round here frontin like my shit don't sound like nuttin  
Like I ain't got the crown or suttin  
Like I ain't the nigga you base ya life on  
I guess i ain't the reason you got that ice on  
Like I ain't the muthafuckin dude wit the shoes  
I guess I ain't the reason you rhyme the way you do  
Like I ain't the nigga who mastered all flows  
And the reason they can't sell them four point O's  
Like I ain't 5 mill, and what do ya joint go?  
Excuse me? Nigga don't confuse me  
I ain't one of you rappers who got a deal  
I'm one of the few niggaz spittin it and got it for real  
And even if you hatin, you gotta knock it in yo wheels  
And the day that i stop it.....ILL!!
