

Trey Songz, Gotta Make It (Remix)

Trey..yes mam
this is aretha(whoa)
belive in urself(self)
belive in ur dream(uh huh)
dont let no body tell you what you cant do...(sing)u sure gon make it now

(trey)
diz song is 4 my(shorty)
just go and do it you gotta know you can do it

n this song is for my(homie)
just hold it down cus build it from the ground cus

i tried a suit with a smile(it aint fit me)and i played the block for a while(tried to kill me)
no matter what you gio through i know 1 thing is true keep beliving in you

cause when itz feeling like you(jus cant take it)
and no matter what you do(it keep breaking)
lift your head to the sky tell yourself i(jus gotta make it)i(jus gotta make it)
(2x)

shorty i know you got the learned the hard way babe
before you give up just take a second babi
look in the mirror your reflection ladai
its perfection babai dont negeltic babai
now homie i know you be nickeling and diming
cant get nuff hours at your job to put ur time in i know the streets looking good and that money look

(rap)
man i done slept in hallways but i didnt cry though.....

aretha..
