

# Trey Songz, Heart Attack

Turn the lights on!

Ohhh wooh, Ohhh wooh!

We share something so common  
Still so rare, and I'm in awe  
Never been here before  
So high, we're still climbing  
Even here inside these walls  
Breaking each other's hearts  
And we don't care cause we're so

In too deep, can't think about giving it up  
But I never knew love would feel like a heart attack  
It's killing me, swear I never cried so much  
Cause I never knew love would hurt this fuckin' bad  
The worst pain that I ever had

Ohhh wo-oh, never never never knew love (Ohhh wooh!)  
Would hurt this fuckin' bad  
The worst pain that I ever had

All the times when I know I should be smiling  
Seem to be the time that I frown the most  
Can't believe that we're still survivin  
Cause I'm slowly breaking down  
Even when I hold you close  
And if I lose you  
I'm afraid I would lose who  
Who I gave my love to  
That's the reason I stay around  
Even though I fell way

In too deep, can't think about giving it up  
But I never knew love would feel like a heart attack  
It's killing me, swear I never cried so much  
Cause I never knew love would hurt this fuckin' bad  
The worst pain that I ever had

Ohhh wo-oh, never never never knew love (Ohhh wooh!)  
Would hurt this fuckin' bad  
The worst pain that I ever had

And it hurts,  
Cause I wanna leave, and you wanna leave  
But the love keeps us together

And if I lose you  
I'm afraid I would lose who  
Who I gave my love to  
That's the reason I stay around  
Even though I fell way

In too deep, can't think about giving it up  
But I never knew love would feel like a heart attack  
It's killing me, swear I never cried so much  
Cause I never knew love would hurt this fuckin' bad  
The worst pain that I ever had

Ohhh wo-oh, never never never knew love (Ohhh wooh!)  
Would hurt this fuckin' bad  
The worst pain that I ever had
