

# Trey Songz, I Gotta Go

(Intro)

Good evening  
I'd like to thank everybody for coming out  
Hope your flights were safe  
Feeling real breezey  
Swift like the wind

(Verse One)

It's calling my body  
It's calling my soul  
It's calling my mind  
So girl I gotta go  
Baby it's the grind  
Yes I had a good time  
(Don't get me wrong) You were so good  
And I really wish I could  
Stay a little bit longer  
Love you a little bit stronger  
And go a little deeper  
Baby with you  
But since this thang is calling I  
Gotta answer dry your eyes  
Girl don't cry  
'Cause your making it hard for me

(Chorus)

'Cause I don't want to leave (Ooo girl)  
But I gotta go right now  
I'll be back to hold you down (I don't wanna)  
I don't want to leave no  
But girl I gotta go right now  
But I'll be back before you know it

(Verse Two)

So hold that thought (that thought)  
Dont you move  
See I'm coming right back  
Right back for you  
Don't you change your position  
Girl I'm on a mission  
Baby trust I'll be missin'  
Missin' you  
'Cause I don't wanna leave

(Chorus)

I don't want to leave (Leave, leave, leave you baby)

But I gotta go right now (But I gotta go though)  
I'll be back to hold you down  
I don't want to leave no no no  
But girl I gotta go right now (buh bye i gotta go)  
But I'll be back before you know it

(Bridge)

Streets be calling me  
They be calling my name  
And when they call I gotta go  
So I'm letting you know  
I wont be gone for long  
And already I can't wait to come home to you

(Chorus)

I don't want to leave (Ohh girl)

But I gotta go right now  
I'll be back to hold you down  
I don't want to leave  
But girl I gotta go right now  
But I'll be back before you know it

I don't want to leave  
But I gotta go right now  
I'll be back to hold you down  
I don't want to leave  
But I gotta go right now  
But I'll be back before you know it

(Speaking)  
Break it down now ow  
Naw I dont want to leave  
But you know how it is when-  
Whoa baby keep that on  
Don't take it off  
Keep in on  
So I can take it off when I come back  
Yeah fo' sho  
You gotta believe that

(Chorus)  
I don't want to leave (Since this thang is calling I)  
But I gotta go right now (Gotta answer dry your eyes)  
I don't want to leave (Girl don't cry)  
But girl I gotta go right now  
I'll be back before you know it
