We partners we gon get it like nobody else can
Ima offer you my heart cause you aint got this mental plan(?)
You ask me bout my baby ima say...
(chorus)
When the bus stops runnin and the train stop comin
and the ship goes under, Know we in this thing together, oh
And when the clock stops tickin and when the sunshine missin
Aint nobody else fix it, Know we in this thing together

Ima offer you my heart cause you aint got this mental plan
You ask me bout my baby ima say...

and the ship goes under, Know we in this thing together, oh
And when the clock stops tickin and the sunshine missin
Aint nobody else fix it, Know we in this thing together
When the bus stops runnin and the train stop comin
and the ship goes under, Know we in this thing together, oh
And when the clock stops tickin and the sunshine missin
Aint nobody else fix it, Know we in this thing together
