

# Trick Pony, Whiskey River

(Johnny Bush/Paul Stroud)

Whiskey River take my mind  
Don't let her mem're torture me  
Whiskey River don't run dry  
You're all I've got, take care of me

Whiskey River take my mind  
Don't let her mem're torture me  
Whiskey River don't run dry  
You're all I've got, take care of me

I'm drowning in a whiskey river  
Bathing my memory's mind in the wetness of it's soul  
Feeling the amber current flowin' from my mind  
And war an empty heart you left so cold

Whiskey River take my mind  
Don't let her mem're torture me

Whiskey River don't run dry  
You're all I've got, take care of me

I'm drowning in a whiskey river  
Bathing my memory's mind in the wetness of its' soul  
Feeling the amber current flowin' from my mind  
And warm an empty heart you left so cold

Whiskey River take my mind  
Don't let her mem're torture me  
Whiskey River don't run dry  
You're all I've got, take care of me

Whiskey River take my mind  
Don't let her mem're torture me  
Whiskey River don't run dry  
You're all I've got, take care of me
