

Tricky, Abbaon Fat Tracks

Abbaon Fat Tracks

Fuck you in, tuck you in, suck you in
"Can you fly? You fly as fast as you can to baby Jesus!" (from the film The Rapture)
I am she
Mistakes of men
Gritty teeth, fists are clutching,
breast stroke, thoughts of touching
see you in the sun
there'll be big fun, ah, at my
hotel, motel, hotel, motel
I'll fuck you in the ass, just for a laugh
with the quickspeed I'll make your nose-bleed
I ride the premenstrual cycle
Forget about our michael
Now here's the big blast, I like the big cash
i sing on bass loops
I scream ?vauge truths?
Ensure myself, within myself, encouraging pain
TV smile for TV is god ... (TRICKY:ugly noise this is) strange ways by the tube
rays
I roll up the blue bills
I snort the cheap thrills
