Tricky, Hot Like A Sauna

tricky: round the corner turn the corner, turn hell is round the corner hot like a sauna i know i hurt her when I tell her that I want her and with this drama i act like jeffrey dahmer i beat her then i eat her nigga's sweet, there's no one sweeter i think i lost my tweeter to your pussycats do you call your pistols 'gats'? don't sleep her love away don't let her run away don't sleep her love away don't let her... dream and i'm seein' it harmed a girl like Monica everyday be like Hanukkah and change my mind again hide off like to find a friend i call her "enemy" she says i act like there's ten of me a sketch for their clone a dog without a home but you want more when i was on tour told her "you should write a lot" now look how much time you got told you,"shouldn't run alot" now look how much time you got mad dog: take life on the streets- your own made by Grease beats- pure dog running with the renegades of NY Street Dog speak the true talk wanna talk about crime? yeah right! stick ups- get in mind to realize alright run the airtime fuck the police it's startin' to get hyped niggas gettin' paranoid and void then imply Tetth's a bad boy just gonna rap about kids that can't cope dogs get mad when niggas stand broke with a phat rope, yo, what a joke! shit, i had coke and fifty pound notes puffed it for those niggas i know far as i know you're a freak if i bone like i go Trix and Milo i roll with niggas with big machines blank sreens, video scenes blue, black and green niggas with wigs scared the scam clean and get the cream- know what i mean? diggin' the scene with the gasoline with enough magazines them nine to fives, big executives who ride the clock, there'll be no crime from nine to five. there be no crime for none of us livin' to find those kinds of drugs

with no undercovers those motherfuckers can't flop dogs in any form, this rough cough's quick i'm sick going where the Jungle is clicking in England the trans-Atlantic in Harlem where demands don't quit kioka: levitating and useless debating in these dvastating times tricky: don't let her run away kioka: while everybody's just doing drugs and writing melodic rhymes tricky: don't sleep her love away kioka: trying to get one and not get into trouble i might just be inclined tricky: don't let her run away kioka: we all got needs we all do dirty deeds now and then wanna smoke some weed tricky: don't sleep her love away kioka: yeah we're free yes we need to be free walkin' round with unsatisfying needs trickv: don't let her run away kioka: yeah we're free yes we need to be free walkin' round with unsatisfying needs tricky: don't sleep her love away mad dog: come with a bang bang it's a hangman gettin' my prayer my hands can slang bang actors that have the will to gang slang that's the type of nigga that can't say, "you don't go and forget the down times and the walk while i was with the bad man" many to fly right? masterplan miracle flight like Pan-Am man.damn! sure as the echo 'fore that gonna pump the petrol niggas with escorts hide in the get-go now lay it in the ghetto yeah y'all i could find life in a Paris metro while i'm walkin' around slammin' ghettos in the real know the rapper with the black girls deliverin' travels with the Maxwells gettin' paid off girls Rockwells, high L's

well as drop sales with Stockwell Street Dog with a molotov cocktail no no can't stop flowin' no gettin' paid off girls Rockwells, high L's well as drop sales with Stockwell Street Dog with a molotov cocktail no no can't stop flowin' no kioka: levitating and useless debating in these dvastating times tricky: don't let her run away kioka: while everybody's just doing drugs and writing melodic rhymes tricky: don't sleep her love away kioka: trying to get one and not get into trouble i might just be inclined tricky: don't let her run away kioka: we all got needs we all do dirty deeds now and then wanna smoke some weed tricky: don't sleep her love away kioka: yeah we're free yes we need to be free walkin' round with unsatisfying needs tricky: don't let her run away kioka: yeah we're free yes we need to be free walkin' round with unsatisfying needs tricky: don't sleep her love away kioka: yeah we're free yes we need to be free walkin' round with unsatisfying needs tricky: don't let her run away kioka: yeah we're free yes we need to be free walkin' round with unsatisfying needs tricky: don't sleep her love away kioka: yeah we're free yes we need to be free walkin' round with unsatisfying needs tricky: don't let her run away kioka: yeah we're free yes we need to be free walkin' round with unsatisfying needs tricky:

don't sleep her love away
