

# Tricky, Milk

(note: this is a slower version of the garbage track with both parties  
Involved singing all the lines, part of a rhythm track starts then buckles  
And disappears.)

I am milk  
I am red hot kitchen  
And I am cool  
Cool as the deep blue ocean  
I am lost  
So I am cruel  
But I'd be love and sweetness  
If I had you

I'm waiting (x2)  
For you  
(x2)

I am weak  
But I am strong  
And I will use my tears to bring you home

I'm waiting (x2)  
For you  
(x3)

I am milk  
  
And I am cool  
Cool as the deep blue ocean

I'm waiting  
For you

(till fade)
