

# Tricky, Moody

Tricky:

It's my world

It's my world

Tricky & Costanza:

Running

Breathing

Deceiving

Take and make

What you breath in

Know me

Show me

Hardly

No you can't A&R me

Costanza Francavilla :

I pretend I don't exist

I close my eyes and wish

Taste like liquorice

& sound so devilish

Slide across the floor

Move a little more

Take a sip & pour

I've heard it all before

Tricky & Costanza:

It's my world

Gonna take it now

Make it now

Make it shout

All this green

Gonna make me mean

Make me dream

Make me skim

(2x)

Costanza Francavilla :

I'm feeling

Feeling

Craw across the ceiling

In the day mix

They play cheap tricks

I pretend I don't exist

Close my eyes and wish

My thoughts are devilish

My thoughts are just a wish

Tricky:

It's my world

Gonna take it now

Make it now

Make it shout

All this green

Gonna make me mean

Make me dream make me skim

Tricky & Costanza:

It's my world

Gonna take it now

Make it now

Make it shout

All this green

Gonna make me mean

Make me dream make me skim

Tricky:

It's funny how you feel

The eyes in your head

The brain and spine

Releases fluid when you're dead

Then you start to shed

Turning to something else instead  
Something else was said  
Someone else's sunset was red  
Tricky & Costanza:  
It's my world  
Gonna take it now  
Make it now  
Make it shout  
All this green  
Gonna make me mean  
Make me dream make me skim  
(repeated)
