

Tricky, Peyote Sings

Martina :

You sure you want to be with me?

I've nothing to give.

Won't lie and say this loving's best

Leave us in emotional pace

Mmm, take a walk take a rest, a taste of rest

Don't wanna be on top of your list,

Monopoly improperly kissed

We overcome in sixty seconds with the strength we had together.

But for now, emotional ties they stay severed.

And when there's trust there'll be treats

When we funk we'll hear beats,

Karmacoma, karmacoma, Karmacoma ...

You and her walking through the suburbs

No, not exactly lovers

You're a couple, 'specially when you're body's double.

Duplicate and then you wait

For the next Kuwait.

Karmacoma, karmacoma, Karmacoma ...

Jamaica Aroma, Karmacoma.

You sure you want to be with me? I've nothing to give.

Won't lie and say this loving's best

Leave us in emotional peace

Mmm, take a walk take a rest, a taste of rest

Don't wanna be on top of your list,

Monopoly improperly kissed

We overcome in sixty seconds with the strength we had together.

But for now, emotional ties they stay severed.

And when there's trust there'll be treats

When we funk we'll hear beats,

Karmacoma, karmacoma, Karmacoma ...
