

# Tricky, Singin' The Blues

I've been working so hard  
Just came home from my job  
I look down in my wallet  
Goddamit I been robbed  
Where can my money be now  
(Five of a???) a week's long work  
What can I do now  
I got so many bills to pay  
You got me singing the blues  
And I'm payin all my dues  
You got me singing the blues  
And I'm payin all my dues

(????) Outta my pocket  
Oh what a day  
The bills are gonna rob me tomorrow  
That's why I need my ten dollars today  
You got me singing the blues  
And I'm payin all my dues...
