

Tricky, Singing The Blues

i've been working so hard
just came home from my job
i look down in my wallet
goddamit I been robbed
where can my money be now
[five of a???] a week's long work
what can I do now
I got so many bills to pay
you got me singing the blues
and i'm payin all my dues
you got me singing the blues
and i'm payin all my dues
[????] outta my pocket
oh what a day
the bills are gonna rob me tomorrow
that's why i need my ten dollars today
you got me singing the blues
and i'm payin all my dues...
