

Tricky, Something In The Way (Nirvane Cover)

Something in the way

(Nirvana Cover)

Hawkman :

Underneath the bridge

The tarp has sprung a leak

And all the animals i have trapped

Have all become my pets

And I'm living off the grass

And the drippings from the ceiling

It's okay to eat fish

'Cause they don't have any feelings

Something in the way

Something in the way

Underneath the bridge

The tarp has sprung a leak

And all the animals i've trapped

Have all become my pets

And i'm living off the grass

And the drippings from my ceiling

It's okay to eat fish

'Cause they don't have any feelings

Something in the way

Something in the way

Something in the way
