

# Tricky, Talk To Me

It's too good  
It's too nice  
She makes me feel it's too quick  
Is it love?  
No not love  
She turns my sexual trick  
She says she's mine, i know she lies  
First, i scream, then i cry.  
You take a second of me  
You beckon, i'll bleed  
She suffocates me  
She suffocates me with suggestions  
I asked 'do you feel the same?'  
And later on, maybe  
I'll tell you my real name  
She's so good, she's so bad  
You understand, I can't expand  
Ahah, now I could just kill a man  
She's on her knees, i say please  
I cross her city lines, she's got brown eyes  
I think ahead of you, i think instead of you  
Will you spend your life with me  
And stifle me?  
I know why the caged bird sings, i know why...  
Forgive and you're forgiven  
Kingdom come  
Can you wait for yours, i need to taste some  
Life's really funny, i laugh while she spends my money  
She's my freak  
I guess i'm weak  
You ask what is this?  
Mind your business  
I pass my idle days with my idle ways  
'Til the twelfth of always  
She walks my hallways  
I keep her warm, but we never kiss  
She cuts my slender wrists  
Let's waste some more time  
I sign the dotted line  
A different level  
She-devil  
I think ahead of you, i think instead of you  
Will you spend your life with me  
And stifle me?  
I know why the caged bird sings, i know why...  
You ask what is this?  
Mind your business  
I pass my idle days with my idle ways  
'Til the twelfth of always  
She walks my hallways  
I keep her warm but we never kiss  
She says i'm weak and immature  
But it's cool  
I know what money's for.  
Push comes to shove, her tongue's her favourite weapon on attack  
I slap her back, she mostly hates me.  
I think ahead of you, i think instead of you  
Will you spend your life with me  
And stifle me?  
I know why the caged bird sings, i know why  
Can i take off your clothes  
Before we go out  
And when you're helpless, i'll scream and shout  
We finish everyday

Well, anyway  
Sixty-nine degrees  
My head's between your knees.  
You ask what is this?  
Mind your business  
It's too good  
It's too nice  
She makes me feel it's too quick  
Is it love?  
No not love  
She turns my sexual trick  
She says she's mine, i know she lies  
First, i scream, then i cry.  
Take a second of me  
You beckon, i'll bleed  
Take a second of me  
I think ahead of you, i think instead of you  
Will you spend your life with me  
And stifle me?  
I know why the caged bird sings, i know why X2
