

# Tricky, The Only Way

Every time you go away  
I feel the pain  
I feel the same  
it's like a rain  
I hear your name  
I fall apart  
this is the end  
why do we start?

this is the only way  
you go away  
be my fiend  
come back again /2x

Every time she goes  
I feel the pain  
I feel the same  
it's like the rain  
Every time I hear your name  
I fall apart  
this is the end  
why do we stop?

this is the only way  
you go away  
be my fiend  
come back again

the only way  
this is the only way  
the only way  
the only way

every time I make you cry  
it's like I die  
got fucked here  
I'm seeing red  
I can't feel  
it's like I;m dead  
I'm an alien, not form this Earth  
Alien, I not form this Earth  
You know the feel, in my birth  
the only way  
the only way  
this is the only way
