

Trin-I-Tee 5, 7: You Can Always Call His Name

What would I do
Do without my sweet Savior
Who would be there to grant me blessings
and good favor
How would I live
Live without Christ in my life
So empty and lonely its only a matter of time
(Chorus)
He'll never leave you alone
He's waiting there on his throne
And he'll be reigning eternally
Call his name
You can always call his name
Call His name
Life in Christ always the same
Call His name
You can always call his name
Call his name
What would I do
Do without my sweet Savior
He taught me to love myself that I might
love my neighbor
How can I live
Live without Christ in my life
So empty and lonely its only a matter of time
(Chorus)
(What would I do)
You will seek him and find him
If you don't search for him with all your heart
You'll end behind him
(Who will be there to grant me blessing and
good favor)
(How can I live)
Faith comes by hearing
(How can I hear)
And hearing by the word
(How can I find peace)
A peace that passeth all understanding
Is demanding you call his name
