

Trinket, Boom

She's like Armageddon
She's so nuclear
She's got the four horsemen, yeah
Ride on, baby, ride on now

She takes fascination to new elevations
She's the latest rage and greatest sensation
And she's everything to me
Yeah-yeah

She goes boom, boom, boom
I go crazy, crazy
She goes boom, boom, boom
She annihilates me

She's apocalyptic
Existential too
She quotes the Bhagavad Gita
Dream on, baby, dream on now

She gives a slight transfusion to my confusion
It's all smoke and mirrors and grand illusions
And she's everything to me
Yeah-yeah

She goes boom, boom, boom
I go crazy, crazy
She goes boom, boom, boom
She annihilates me
She annihilates me

And she's everything to me
Yeah-yeah
She's everything to me

You know she goes boom, boom, boom
I go crazy, crazy
She goes boom, boom, boom
She annihilates me
So completely

Boom, boom, boom
I go crazy, crazy
She goes boom, boom, boom
She annihilates me

She goes
Yeah
Yeah

She goes boom, boom, boom
Boom, boom, boom
I go crazy, crazy
I go crazy, crazy
She goes boom, boom, boom
Boom, boom, boom
She annihilates me
