

# Trio, Danger Is

Comin' nearer, it's in the air  
Gettin' clearer, it's everywhere  
Hidden worries seem to grow  
Uneasy feelings wherever I go  
Danger is (3x)  
Danger is (3x)  
We're driftin' further from the things we love  
Sendin' prayers to the heaven above, bove, bove  
Shades of menace becomin' real  
Troubles comin', I can feel  
Danger is (3x)  
Da Gefahr...
