

Trio, Energie

Musik und Text: Remmler/Kralle

Braune Burschen splen am Strand
auf selbstgemachten folkloristischen Instrumenten
geschmeidige Krper wiegen sich im Mondlicht
Vom Grand Hotel
weht der Nachtwind hin und wieder
einige Takte Tanzmusik herber
Glser klingen Lachen weie Jackets und schne Frauen
Heino de Witt oder watt sitzt in der Bar
die Pfeife in der Hand
schaut er dem TRIO de Janeiro zu
wohlwollend

May you be a child or mother
I need your love right now
be it you or any other
build me up somehow
fill me up with all your lovin
give it all to me
I don't care how you do it
but give me your energy

Oh woman rescue me
I feel like I can't go on
Oh woman rescue me
I feel like I can't be strong
Oh woman rescue me
I feel like I can't go on
Oh woman rescue me
I feel like I can't be strong

May you be a child or mother
give me all you got
I don't care how you do it
but woman woman woman make me hot
fill me up fill me up with all your lovin
give it all to me
I don't care how you do it
but give me your energy

Oh woman rescue me
I feel like I can't go on
Oh woman rescue me
I feel like I can't be strong
Oh woman rescue me
I feel like I can't go on
Oh woman rescue me
I feel like I can't be strong

Zuviel Nerv zuviel Nerv
gib mir Energie
zuviel Nerv zuviel Nerv
Oh woman rescue me
