

Trio, My Sweet Angel

Musik und Text: Remmler/Kralle

Right from the start
you captured my heart
yes you are my sweet angel

Heaven above
must have sent me your love
yes you are my sweet angel

I want you to know
I'll never let you go
because your are my sweet angel

Angel good angel fine
angel so easy
angel my sweet angel

I lived in the night
now I follow your light
yes you are my sweet angel

I belong to you you belong to me
it's so clear to see
that you are my sweet angel

Angel good angel fine
angel so easy
angel my sweet angel

I belong to you you belong to me
it s so clear to see
that you are my sweet angel
