

Trio Rio, New York, Rio, Tokyo

When I watch you dancing
I begin to feel like all romancing

Groovin'
movin'
shakin'

All the time your hear that
sound of dancing.

In New York - Rio - Tokyo

Or any other place you see
You feel that dancing fantasy.
In New York - Rio - Tokyo

Or any other place around
That magical big city sound.

Now let's come together

get the groove allright and you'll feel better

Groovin'
movin'
shakin'

all the time you hear that sound of dancing.

In New York - Rio- Tokyo

...

When you dance close to me

when I dance close to you

when we are together then you'll say
that our love is here to stay.

When I watch you dancing
I begin to feel like all romancing

Groovin'
movin'
shakin'

All the time you hear
That sound of dancing.

In New York - Rio - Tokyo

...

When you dance close to me

When I dance close to you

When we are together then you'll say
That our love is here to stay.
