

# Trip Lee, Who Is He

{{Song||Trip Lee|star=Green}}

Chorus

(Because of who He is) If I'm worth dying for then yes this God is worth living for

(Because of who He is) It makes me want to give Him more and more

(Because of who He is) So I take my body and use it for the glory of God;  
that's why I pray everyday got to pick up my cross, search for the lost no matter the cost
