

# Triple Image, Boy Next Door

Dear Stevie,  
I just wanted to let you know,  
that I've been thinking about ya lately.  
And since you've been gone,  
I wanna let you know,  
that I miss you boy, I miss you boy.  
Well it's been 3 weeks since you went away,  
it might sound crazy but I count the days.  
I miss the little things that we used to do,  
and those are the things that I liked about you.  
And now you're gone I don't know what to do.  
You never knew I had a crush on you.  
I miss you boy, I miss you boy

Well I wake up in the morning and get ready for school,  
combin' my hair, trying to look cool.  
But I looked in the mirror and I said to myself,  
why'd you have to leave me all by myself?  
I know you didn't know it never said it before,  
but I had a crush on the boy next door.  
I miss you boy, I miss you boy

(CHORUS)

I had a crush on the boy next door and now hes gone  
shoul'da told him before but its never too late to be my friend  
maybe someday I'll see you again and I wanna tell you from my heart  
I know what it's like to be apart  
I miss you boy (I miss ya boy) I miss you boy (I miss ya boy!)

Well as time goes on its easy to see,  
that you were the one the one for me.  
I don't know how to say it you know its true,  
cuz all I do is think about you.  
Cuz you're on my mind every minute of the day,  
and now its time to you hear me say  
I miss you boy I miss you boy

Well the summer times coming,  
I wanna see you again.  
I hope you come back,  
and be my best friend.  
Now i hope in my heart that this dream'll come true,  
cuz without you its like a roomin of you  
I want you to know, I never felt this before but I miss you.  
Love, the girl next door  
I miss you boy, I miss you boy

(CHORUS X 3)

::ring ring::  
'Hey, this is Briana leave a message at the tone!'  
Hey Bree this is Stevie.  
Sorry I didn't get to say goodbye,  
but i hope you get this message,  
cuz I miss ya so much  
I know you're far away,  
but we can still keep in touch  
I know you never knew I never said it before  
I got a crush on you the girl next door  
I miss ya girl...I miss ya girl

(CHORUS TO FADE)
