

Triple Image, None Of Your Business

Mmm-hmm
say what?
yeah right
no no no no
it doesn't matter cuz it's
it doesn't matter cuz it's
it doesn't matter cuz it's
none of your business...

I heard you saw her, saw her today..(mmm-hmm)
i heard she said what you usually say that she said
i heard she told you a lie..(surprise, surprise)
that she can like you much better than I.. (yeah rite)
If she asks you why you're alone
If she asks you where i am oohh...
u tell her

(chorus)
it doesn't matter cuz it's none of your business
stop asking questions i've got nothing to say to you
whatever happens, it's none of your business
nothing to do with you, none of your business too

i heard she asked you, she asked you my name.. (say what?)
i heard she said not to like me this way
she said if im not with you.. (mmm-hmm)
maybe im likeing someone else too
the next time she comes to you and asks you where you stay
you tell her

(chorus)

when you find it within you'll love me more
Just bcuz im away
so whoever wants to know the score
u tell them this and not a thing more
nothing more..

none of your business, nothing to do with you
stop asking questions
i've got nothing to do with you
i've got nothing to say to you
none of your business, nothing to do with you
nothing to do with you..

(chorus x2)
