

# Tripod, I Always Get Into Stuff

I always get into stuff  
Just as it's finishing being cool  
I'm never quite brave enough  
To take a chance on something new  
That's for someone else to do

Oo-oo-ooo-oo

I'm never too far behind  
I follow the trends  
But I never take any risks  
I'm not ahead of the pack  
I'm just with the pack  
Towards the back

== Fegh Maha Version ==  
I'm not the middle of the road  
But it's a safe distance from where I stand  
I've got the greatest hits  
Of some very cutting-edge bands  
== Middleborough Rd Version ==  
I know all about moshing  
They do it in pits  
I'm quite the Pearl Jam fan  
I just bought their greatest hits

Woh-Oh I'm thinking of getting a nose ring  
Now that I've seen one on Neighbours  
Oo-oo-oo-ooo-oo

I always get into stuff  
Just as it's finishing being cool

== Fegh Maha Version ==  
I've got one of those little silver scooters out the back  
== Middleoborough Rd Version ==  
I've got a race scooter out the back

Which I bought in 2002  
Oo-oo-oo-ooo-oo  
Oo-oo-oo-ooo-oo

Taking a chance  
That's just not for me  
If there's four levels of cool  
Then I'm at level three

It goes:  
Freakishly cool people first  
Cool people next  
Then there's me

And then my Mum

== Fegh Maha Version ==  
I bought all the Pearl Jam albums last year  
Hey isn't Chapel Street cool?

I never try to set a trend  
'Cause I've been hurt before  
The only time I went out on a limb  
It didn't work out for the best  
A bandanna round my chest  
Over a vest

I always get into stuff  
Just as it's finishing being cool  
Taking such big fashion risks  
That's for rock stars to do

You can afford  
To wear whatever you like  
When you get that much -----

Do you like that word?

-----?

I think it's cool

What do you think?

Me neither
